MOBILE DEPOSIT SERVICES AGREEMENT

**ALL CHECKS MUST BE ENDORSED WITH:
YOUR SIGNATURE
AND THE PHRASE
"FOR MOBILE DEPOSIT"**

Mobile Deposit is designed to allow you to make deposits of checks ("original checks") to your accounts from home or other remote locations by scanning the original checks and delivering the digital images and associated deposit information ("images") to us or our processor with your Mobile Device. After you login to Mobile Banking, you may apply for Mobile Deposit.

Mobile Deposit is a service that is part of First State Bank & Trust's Online Banking, and as such is subject to First State Bank & Trust's Online Banking Terms and Conditions.

Mobile Deposit Fees

The first five deposited items per statement cycle are free. Additional items are \$.50 each.

Limits

We may establish limits on the dollar amount and/or number of items or deposits from time to time. If you attempt to initiate a deposit in excess of these limits, we may reject your deposit. If we permit you to make a deposit in excess of these limits, such deposit will still be subject to the terms of this Agreement, and we will not be obligated to allow such a deposit at other times.

Eligible Items

You agree to scan and deposit only checks (i.e., drafts drawn on a credit union, savings and loan or bank and payable on demand.)

You agree that you will not use Mobile Deposit to deposit:

- Checks payable to any person or entity other than you (i.e., payable to another party and then endorsed to you).
- Checks payable to you and another party who is not a joint owner on the account.
- Checks that contain evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.

Requirements

Each image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

Endorsements must be made on the back of the draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. Your endorsement must include your signature and “for mobile deposit.” Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

A check payable to two payees must be endorsed by both payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check.

Receipt of Deposit

All images processed for deposit through Mobile Deposit will be treated as “deposits” under your current Deposit Agreement and General Deposit Account Disclosures with us and will be subject to all terms of the Deposit Agreement and General Deposit Account Disclosures.

When we receive an image, we will only notify you if we are unable to process the deposit by midnight of the banking business day the deposit is made. If the deposit is not made on a banking business day, you will be notified by midnight of the first business day following the nonbusiness day. We are not responsible for any image that we do not receive.

Following receipt, we may process the image by preparing a “substitute check” or clearing the item as an image in accordance with our Substitute Check Policy Disclosure provided in your Deposit Agreement and General Account Disclosures. We reserve the right, at our sole and absolute discretion, to reject any image for remote deposit into your account. We will notify you of rejected images.

Original checks

You must securely store the original check for 14 calendar days after transmission to us and make the original check accessible to us at our request. Upon our request from time to time, you will deliver to us within 10 calendar days, at your expense, the requested original check in your possession. If not provided in a timely manner, such amount will be reversed from your account. Promptly after such period expires, you must destroy the original check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. After destruction of an original check, the image will be the sole evidence of the original check.

You agree that you will never re-present the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

Returned Deposits

Any credit to your account for checks deposited using Mobile Deposit is provisional. If original checks deposited through Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check in accordance with our Substitute Check Policy Disclosure provided in your Deposit Agreement and General Deposit Account Disclosures. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

Your Warranties

You make the following warranties and representations with respect to each image:
